

THE CRANBROOK COMMUNITY HUB

Your space

Who said school is just for kids?!!

The Community Hub is our parent/carer space – a space for YOU. It's a safe space for a chat, meet new people, to just take a break and recharge, to seek guidance, to be supported and to learn and share skills.

Here's what we're planning for Term 4

There will also be special events throughout the term – stay tuned!

Motivational Monday

Join our exercise group
8.45am at The Hub
All levels catered for.

Gen M Together

Generation Mature
this is for you! Grandparents
and those over 60ish looking
to enjoy some social time
together on Tuesdays.

Need a little nudge?

We'll be hosting 'nudge'
sessions this term, with a
variety of topics to give
you that little nudge
with life.

Playgroup

For those with children
not yet at school. Join us
for a play and activities
together on Thursdays.

Coffee & Chat

...because we deserve it!
Coffee, cake and
conversation to finish off
the week.

Please connect with us on the Cranbrook Facebook Page for up to date information.
The school website will have details too.
