Week	English	Spelling	Mathematics	Science
6	Using a Venn Diagram, compare the appearance and qualities of two characters. These may be from your favourite TV show or a book.	Create a word search that contains your spelling words.	Draw a growth pattern using circles that increases by 2 each time. Write this pattern using numbers.	Make a paper plane. Draw and label this.
7	Using a Venn Diagram, compare the qualities and actions of your two characters. These may be from your favourite TV show/book.	Write 2 sentences using as many of your spelling words as you can.	Explain the position of the hour hand as the time moves from 1 o'clock, to quarter past 1, to half past one to quarter to 2.	Explain the force that is used when you fly your paper plane. How does the plane interact with you?
8	Use FANBOYS to write two sentences to compare similarities and/or differences of your characters.	Write your spelling words in alphabetical order .	Count the collection of money. 	Think of a change you could make to your paper plane and write a prediction of how your plane will change.
9	Using your Venn Diagram from last week, write an opening preference statement and a comparison sentence to explain your preference.	Write a rhyming word for each spelling word.	Draw the least number of notes and coins to pay for this item. 	Complete the change to your paper plane and fly. Record your observation.
10	Write the next paragraph for your preference, state your preference and give at least 2 reasons to support this. Write a concluding paragraph that restates your preference and why you like them.	Choose 10 of the spelling words from the last 4 weeks and write these using a different colour for each phonogram. (Rainbow Words)	If the meeting begins at 7:00pm and I arrive at 6:45pm, am I late for the meeting? Explain how you worked this out.	Compare how your plane originally flew and how it flew after you made the changes.
