

Year 2 Homework

Term 1 – (Week 2-5)

Last updated 27/01/2026

Remember to **READ EVERY NIGHT** and practice your spelling words.

Week	English	Mathematics	Science
2	Describe the appearance of a character in your favourite book/movie. Using appearance adjectives. What do they look like?	Partition 3-digit numbers into parts. For example: $793 = 700 + 90 + 3$ Use the language how many hundreds, tens and ones? 457, 289, 972, 444, 621, 851	Brainstorm the properties of fabric. What things in your house are made of fabric? Why do you think they make them out of fabric?
3	Describe the personality of a character in your favourite book/movie. Using adjectives. What is their personality?	Partition 3-digit numbers into parts. For example: $793 = 700 + 90 + 3$ Use the language how many hundreds, tens and ones? 739, 573, 821, 803, 361, 619	Brainstorm the properties of plastic. What things in your house are made of plastic? Why do you think they make them out of plastic?
4	Describe the actions of a character in your favourite book/movie. You could perform your favourite parts to your family!	Brainstorm positional language words and how they are used. Next to, between, behind.	Find 10 objects in your house that are STRONG , why do you think they make them to be strong? What is the reason.
5	Do a presentation about something you love. Try and change the tone of your voice depending on what you're saying. For example. "There was a MASSIVE Elephant"	Learning Game! Pretend you are a robot and listen to instructions from a family member. For example, <i>stand next to the couch, lay under the table, sit behind the table</i> . Your family member could also have a turn of being the robot and you can control them.	List as many materials as you can that are water resistant. Write a sentence or more to describe what the words water resistant mean to a prep child.
