

Cranbrook State School - 2024 Bus Service Information

Cranbrook State School operates its own private bus service for use by students travelling to and from school and for other school related activities such as excursions. **The collection of students will be from their residence or other parent allocated collection point.**

The School adheres to the Queensland Government **Code of Conduct for School Students Travelling on Buses** as well as incorporating our own policies and procedures in relation to the use of its private bus service. It is School policy that seatbelts must be worn at all times. This is in compliance with Queensland Transport legislated requirements.

The ongoing provision of the bus service is dependent on sufficient patronage and the School reserves the right to discontinue the service if it is not adequately supported.

Fees are charged for full terms only and no pro-rata rates are available.

There will be 2 bus services in the morning and afternoon:

- Service 1: Collections from 7:00am to 8:50am Drop off from 3:00pm to 4.30pm-33 available seats
- Service 2: Collections from 7:30am to 8:50am Drop off from 3:00pm to 4:00pm-24 available seats

It is likely that demand for places on the buses will be greater than the capacity of them and the submission of this Application Form does not guarantee a seat on the bus. Seats will be allocated on the receipt of application and preference given to those students who wish to utilise the service on a daily basis. Please contact the bus driver directly if your child is absent. No alternative collection or drop off points can be made.

Activity risks and insurance

Any other costs must be covered by the parent/carer. It is up to the parent/carer to decide the type/s and level of private insurance they wish to arrange to cover their child. Please take this into consideration in deciding whether or not to allow the child/student to participate in this activity.
